Classroom Updates

Math Mrs. Lloyd	Social Studies Mrs. Murrell	Science Mrs. Lloyd	ELA Mrs. Murrell
<p>Students are finishing up our unit on fractions. After spring break we will be working on volume, converting measurements, and line plots</p> <p>Please make sure you check your child's friday folder and see their exit tickets on these daily objectives. Anytime a test goes home please go over mistakes for extra credit.</p>	<p>Students continued to analyze the Constitution completing new missions as Constitution detectives for the FCDA. The detectives investigated Article 1 of the Constitution: Legislative Branch of government.</p>	<p>Continuing on with our study of human body systems, we are wrapping up exploring the circulatory and cardiovascular system. We are looking at the parts and functions of the respiratory system and how it is connected to the cardiovascular system. We will make a model of the diaphragm and how it takes in and lets out oxygen. Continuing to take our heart rates before and during zumba helps us to understand the importance of regular exercise and strengthening the heart muscle.</p> <p>Please ask your child to bring home their notebooks to share what we are learning.</p>	<p>In Reading, students Read and researched using a critical lens. Students read aware of emotions being stirred up. Students asked themselves, "What emotions are being stirred up and how is the author doing this?" Students took their post assessment.</p> <p>In Writing, Students used phrases to acknowledge counterclaims and rebuttals in their essays. Students implemented editing tools to their revisions. Students identified the appropriate spaces to use paragraphs. Students wrote strong conclusions. Students wrote their final copy of their argument essays.</p>
