## Classroom Updates

Math Mrs. Lloyd	Social Studies Mrs. Murrell	Science Mrs. Lloyd	ELA Mrs. Murrell
<p>Students are working on solving real world problems and interpreting remainders in division. We are still having fun with our Fantasy Football teams.</p> <p>Next week...understanding and comparing decimals.</p>	<p>Students learned how community leaders create budgets for local community expenses. Students were given the opportunity to collaboratively create a local budget for government funded expenses. Such as hospitals, schools, roads, etc. They each had \$1000 to allocate. Students had to explain their reasoning.</p>	<p>Students are using Edmodo to research all the different properties of all the land biomes. We will now take a look at the aquatic biomes. We will finish with a group presentation.</p> <p>Next week: how plants and animals adapt to changes in their environments</p>	<p>In Reading, students were able to examine their reading logs to check their growth as readers, Students set goals based on the observations of their reading logs. We launched Book Clubs!!!</p> <p>In Writing, students wrote their very first flash draft. Students selected an idea from their writer's notebooks to make into a seed and develop into a story over the next few weeks. Students also learned the importance of revision and generated a second draft focusing on "What is my story really about?" Students were exposed to developing story elements in their writing by using the story arc.</p>
